MY STORY

I am a student Software Developer with a focus on creating websites and applications. I work hard, am motivated and committed

WORK EXPERIENCE

iGarden

SALE OF LOG CABINS

- I often have to adjust the prices
- A lot of practical work, where you learn a lot of useful things

Stage BC Fotografie B.V. / BC Photography

PHOTOGRAPHY BUSINESS

- Helped with the preparation of products.
- Had to edit some of the photo's
- Had to shoot some photo's

EDUCATIONS

Audio Visual Technology

SINTLUCAS VIDEOGRAPHY (AT)

- I've always wanted to do this at SintLucas but after the 1th year I switched to Software Development. It wasn't really my thing and I didn't see a future in this

Software Development

SINTLUCAS SOFTWARE DEVELOPMENT (SD)

- I find this much more interesting and I also think that I can achieve a lot with this in the future. I also think it would be very interesting to start my own business in this area.
